

Summer Term

English Genres:

Explanation Texts
Stories from other Cultures

Science- Healthy Living

This unit focuses on how humans can keep themselves healthy through exercise, diet and personal hygiene. The children will learn about why teeth are an important part of staying healthy and what the right types and amount of nutrition are for a human. They will also look at the impact of diet, exercise, drugs and lifestyle on the way your body functions.

Maths

Decimals and Percentages
This unit begins by recapping tenths for both year groups before moving on to decimals with up to two decimal places. Whilst Year 4 focus on converting between fractions and decimals, Year 5 are introduced to percentages. Year 5 then move on to thousandths before both year groups multiply and divide decimals by powers of 10.

Kingfishers' Class

Music

Charanga
Listening and responding to different styles of music
Embedding foundations of the interrelated dimensions of music
Learning to sing nursery rhymes and action songs
Playing classroom instruments
Share and perform

Main Project: **Ancient Civilisations**

This project teaches children about the history of three of the world's first ancient civilisations: ancient Sumer, ancient Egypt and the Indus Valley civilisation. Children will learn about the rise, life, achievements and eventual end of each civilisation.

PE

Tennis – focus on hand eye coordination and agility.
Athletics- focus on agility, balance, coordination and speed.

Computing- Word Processing

The first lesson focuses on formatting images and making them suitable for a poster advertising a cake sale. The children will learn new skills and techniques and apply them to creating a range of different word documents such as posters, letters to parents, job rotas, recipe cards and e-vouchers.

Cycle A

Design and Technology

Fresh Food, Good Food: This project teaches children about food decay and preservation. They discover key inventions in food preservation and packaging, then make examples. The children prepare, package and evaluate a healthy snack.

RPSHE

My school community
Moving house
Taking notice of our feelings
Stop, Start, Stereotypes

Religious Education

Why do some people believe in God and some people not?
How does faith help when life gets hard?

2021-2022
