24 May	LAST DAY OF TERM
25 May - 2 June	HALF TERM
3 June	CHILDREN BACK TO SCHOOL
3-5 June	Herons Residential trip

Dear Parents/ Carers,

And just like that, we are in the final week of the Spring term. The term really seems to have flown by and has been full of enriching opportunities for our children.

Woolley Animals Farm Park

Last week it was the turn of Robins' Class to enjoy a memorable moment linked to their learning, as they headed off for a day at the Woolley Animals Farm Park. The children loved getting up close and personal with the animals and enjoyed being able to hold, stroke and feed them. They also learnt about how to care for the animals and the jobs that staff at the farm do to keep the animals safe and well. It was a fabulous day out for all the children and staff at the farm

commented on how polite and well mannered the

children were. They were also praised for their excellent questions. Well done Robins!

Football Tournament News

On Tuesday, we welcomed teams of Year 5 and 6 footballers from Chulmleigh and East Worlington Schools to join us for a football tournament. This took part throughout the afternoon with each team having the opportunity to play matches against all the others. In the end, despite some tough competition, it was East Worlington Blues who were crowned tournament champions. Well done to all children who took part and were able to demonstrate our school values of compassion, ambition and teamwork.

Parent/Carer Meetings

This week we look forward to our parent/carers meetings throughout the week. Thank you to those who have booked up to meet with your child's teacher. It is a really important opportunity for us to feed back to you about how your child is getting on, both socially and academically as well as for you to ask questions and tell us about your child outside of school.

Student Teacher news

Last Monday we welcomed Miss Dennett to join the team at Lapford. Miss Dennett is a student teacher from Exeter University and will remain with us until the end of June. She will be getting to know all the children in our school and will be working across all classes but will be primarily based in Skylarks. Do say hello if you see her around.

Staff news

On a sad note, at the end of this week we will be saying farewell to Mrs Osborne. Mrs Osborne has worked at the school for many years in a number of different roles. Initially as a volunteer before working as an MTA and more recently a TA. She has built many positive relationships with the children and staff at Lapford and always goes out of her way to support the school. We will miss her greatly but wish her every success in her next venture.

I hope you all have a restful Easter break and I look forward to seeing you back in school on Monday 15th April.

Have a wonderful week.

Mrs Wright

A vibrant Easter-themed poster for a school competition. The background is a bright blue sky with soft white clouds. At the top, green grass blades hang down, interspersed with white daisies and a small yellow and black butterfly. The central focus is a wooden crate overflowing with green grass, several colorful Easter eggs (one with blue and white stripes, one with pink polka dots, one with blue and white stripes, and one with rainbow stripes), pink bunny ears, and various flowers like pink and blue daisies. A wooden sign is placed in front of the crate, with the word 'EASTER' in large, bold, light green letters with a blue outline, and 'Egg Competition' written in a black cursive font below it. The bottom of the poster features a lush field of green grass with a variety of colorful flowers, including pink and yellow daisies, pink and purple cosmos, and a large pink dahlia. The overall scene is bright and cheerful, with a sunburst effect behind the central crate.

Skylarks Spotlight

On Wednesday 6th March 2024, we went on a trip to Exmoor Zoo. We saw plenty of animals from around the world and took part in a practical workshop which taught us about 4 animals that can be found in Kenya. These were: the Giant African Millipede, a python, a chameleon and a meerkat. We listened as our guide, Steve, told us about them and the role that each of them play in keeping the food chain and environment balanced. We also went to see the Cheetah's being fed!

Opal Update

A taste of our playtimes last week...

Gardening Club

Coming soon...

Lapford Primary School Gardening Club!

We would be grateful for any donations of seeds, bulbs, plants, compost and gardening equipment.

Thank you.

GOLD AWARD

Congratulations to Keeley for receiving this week's Gold Award!

We wanted to thank Keeley for being so helpful during our first playtime with our new equipment on the field. As you can imagine, lots of children were keen to try it and Keeley ensured everyone had an equal opportunity to use the equipment in a safe and organised way.
